GREAT NEWS for donors:

If you have to take distribution from RMD, the donation can come directly from your IRA account and you don't have to count it as your taxable income, resulting in: (1) Lowering overall taxes; and (2) possibly lowering Medicare Part B monthly premiums each year. The law is called Qualified Charitable Distribution (**QCD**). It's very easy to donate this way, please ask your IRA custodian or your tax advisor.

TPAAF Tax ID number is: 37-1413467
